This hand-drawn map illustrates a search area in the North Atlantic, centered on the Azores Islands. The map includes the following elements:

- Geographical Features:** The Azores Islands are depicted in the lower right. A large dashed green circle represents a search area centered on the islands. A blue line outlines the western coast of North America, with an arrow pointing to a specific location labeled "BOLSA 2".
- Flight Paths:**
 - A red path starts from the "BOLSA 2" location, passes through points labeled "1112", "0215", and "1712", and ends near the Azores.
 - A yellow path starts from the "MARBON 76 (87) 0900" location, passes through a yellow box labeled "0211", and ends near the Azores.
 - A red path starts from the "MARBON 76 (87) 0900" location, passes through a red box labeled "MARBON 76 (87) 0910", and ends near the Azores.
- Search Areas:**
 - A red rectangular area is defined by points labeled "MARBON 76 (87) 0900" and "MARBON 76 (87) 0910".
 - A yellow rectangular area is defined by points labeled "MARBON 76 (87) 0900" and "0211".
- Other Markings:** A black crosshair is drawn in the center of the map. A small blue box labeled "BOLSA 2" is located near the "1112" point.
